FLOOR SCRUBBER DRIER DETERGENT - HEAVY DUTY

FLOOR SCRUBBER DRIER DETERGENT – HEAVY DUTY is a highly effective floor cleaning detergent, for use in floor cleaning machines, and is especially suitable for cleaning very dirty concrete floors. It is ideal for heavy duty cleaning and degreasing of floors in garages, workshops, factories, warehouses, etc.

HEAVY DUTY DETERGENT

FOR USE IN SCRUBBER DRIER MACHINES

EFFECTIVE ON VERY DIRTY CONCRETE FLOORS

FAST AND ECONOMICAL

DIRECTIONS FOR USE

HEAVY DUTY FLOOR SCRUBBER DRIER DETERGENT is used at a dilution of 2 to 5% in water. For very heavily contaminated floors this may be increased to 10% if necessary. Prepare the solution in the machine detergent tank, and use the machine in accordance with the manufacturer instructions. Frequently empty the dirty water from the machine recovery tank.

Heavily contaminated floors may be pre-soaked with detergent to loosen the soiling before using the scrubber drier.
